Central Texas High School and College Students Awarded \$90,000 in Scholarships from A+FCU

Austin, TX – The A+ Federal Credit Union (A+FCU) Board of Directors awarded 45 Central Texas high school and college students with \$90,000 in scholarships for the 2018-2019 school year.

The scholarships have been an A+FCU tradition since 1984. Each student receives \$2,000 to help with educational expenses. The 45 recipients were selected for their academic achievements and community involvement. They represent 30 high schools and 6 colleges.

“The A+FCU Scholarship Program began by awarding two scholarships and has grown to what it is today,” said Kerry A.S. Parker, A+FCU CEO. “We are very proud to be able to expand a program that awards students with funds to help fulfill their dream of going to college.”

The winners were recognized on May 16, 2018 at a Scholarship Reception hosted by the A+FCU Board of Directors.

A+FCU 2018 Scholarship Winners at the May 16 Scholarship Reception
