A+ Online Banking Dashboard Enhancements: Spotlight

[00:00:04.106] - Speaker 1

A+FCU is excited to introduce a more informative and customizable dashboard that highlights products and services that are most important and relevant to you.

[00:00:13.207] - Speaker 1

We're proud to be the #1 Credit Union in Central Texas, and we want to celebrate our local communities for granting us that honor. For our launch, we featured Barton Creek in Austin, Texas. Moving forward, images will change periodically to recognize our local communities.

[00:00:28.369] – Speaker 1

Upon logging in, you'll see various modules with key account details all on the home screen — meaning no additional menus to go through or buttons to click.

[00:00:36.976] – Speaker 1

By default, you'll see your Membership Savings Account. Click 'View All Accounts' to favorite additional shares so they show on the home screen. You can also add manual or linked accounts to keep an eye on all your balances or transfer between those accounts.

[00:00:50.712] – Speaker 1

Rearrange, rename, or engage with a specific share by tapping the vertical ellipses. To group like shares or adjust the order of your accounts, tap 'Move Account' or tap the six dots on the left side to drag and place.

Easily access some of the most sought-after features and information here.

[00:01:12.176] - Speaker 1

Use our easy-to-use tool to set up, switch, or update your direct deposit.

[00:01:19.220] – Speaker 1

Your Cash-back totals, Credit Score, ReferCode, certificate maturity details, and upcoming loan payment reminders are now available in the Info Center.

[00:01:29.383] – Speaker 1

Enroll in Bill Pay to view and pay your bills from a central location.

[00:01:34.521] – Speaker 1

Easily access the account opening page to add products as your financial needs evolve.

[00:01:40.445] – Speaker 1

Account-related activity is now front and center so you can stay on top of your account; you can even choose which accounts are included in the display.

[00:01:50.600] – Speaker 1

Similarly, view the status of mobile deposited checks.

[00:01:55.315] – Speaker 1

Get a glimpse of how your money is spent and additional insights with Financial Tools. For improved monitoring, consider linking external accounts.
