Good afternoon and happy A+ Gives Day. We had a beautiful time here at Go Valley Elementary School and my favorite part was beautifying their garden.

Hi, my name is Alyssa I'm here at the dog Alliance for A+ gives day with Margarita and we just cleared their whole field here, we cleaned up a whole bunch of land and we trained some of these dogs to help them become future service dogs for veterans and first responders in need.

Just got done volunteering at Clayton Elementary School. We help five different grades with their physical education classes and we helped with their lunch periods and kept it clean and tidy.

We had such a great time today volunteering at the Habitat for Humanity Restore. So many good finds and good deals and we had a great time cleaning everything up.

This has been an amazing day. I started out the day at the diaper bank and then ended it at the Central Texas Food Bank. Seeing all the A+ employee faces was amazing as well as helping people throughout our community. Today was the best. My heart is full. Thank you A+.

Volunteering for this organization has been really important to me knowing the impact that we can have on the children and supporting the people that support these children on a daily basis.

Today I had the opportunity to volunteer at Patton Elementary. We had such a good time and so bucket filling. We helped clean up the outside and then we got to go help with cafeteria duty. So many children all well behaved. Anyways thank you A+ and thanks for A+ gives day.
