I had the pleasure of volunteering here at PACE. We dug up a lot of weeds we cleared out these four these four kind of gardening spots we mowed a little bit all around, and I got to tell you it was really fun giving back to the community especially since I grew up here. And the best part about this was doing it with the people. Everyone here was awesome, we all talked and found out we had a lot of things in common, and so as usual the people the best part of this.

Hi my name is Alyssa and I just got done volunteering at The Dog Alliance for A+ Gives Day. The Dog Alliance is an organization that trains service dogs for veterans and first responders with PTSD and they also offer obedience classes and other different training classes for all kinds of dogs. I love The Dog Alliance and I'm so grateful that I got to volunteer there today. Thank you, A+.

Hey today we volunteered at Lady Bird Lake. We did some clean up outdoors along the river. I cleaned up trash, there was a ton of trash so we were just getting rid of that. Cleaning it up and making Austin beautiful.

We are volunteering here in Belton and I'm very excited something I've always wanted to do, help out the community in any way that I could and A+ Gives is just like a great opportunity to do that.

So to me one of my favorite parts is getting to connect with other departments and the community owners here. Just being able to spread the love to other people and yeah we're looking forward to it next year and I will see you guys next time.

We just finished cooking 25 beef enchilada lunches for individuals staying at the Ronald McDonald House. It was such an amazing opportunity to know that we get to impact their day even if it's just one meal for one day of their stay on this journey with their children as they're spread throughout the city in different hospitals. It was such a great experience knowing that my organization, A+ Federal Credit Union, does A+ Gives Day and we got to partner with Ronald McDonald. So thank you for opening your doors and giving us this experience.

A+ Gives Day has been fantastic. It's been so much fun just hanging out with different people that I don't usually hang out with and being a part of something that's bigger than myself, bigger than A+. Even like just doing something great for the community. Thank you, A+ for putting it on, I can't wait for next year.
